

Mandatory Safe Management Measures (SMMs) for Cinemas

1. This document sets out the **Mandatory Safe Management Measures (SMMs)** for compliance by cinemas¹.
2. For the avoidance of doubt, to the extent the implementation of or compliance with any measure within the SMMs below is inconsistent with the COVID-19 (Temporary Measures) (Control Order) Regulations 2020 (“Control Order”) by reason of being less stringent in respect of public safety, the requirements under the Control Order shall prevail.

Mandatory SMMs

3. All staff and patrons must check-in with SafeEntry.
4. All staff and patrons must wear a mask, except when consuming food and drink (food and drink is allowed inside cinema halls).
5. Cinemas must have regular cleaning and disinfecting of high touch point areas and cater additional cleaning time of cinema halls between shows.
6. Cinemas must implement crowd and queue management measures to ensure patrons abide by prevailing safe distancing rules in the Control Order.
7. Cinemas must adhere to the following capacity limits:

Hall Size (no. of seats)	Capacity Limits (for mandatory compliance from 1 Oct)
300 and below	<ul style="list-style-type: none"> Up to 50 patrons or up to 50% of original capacity, with 1 metre safe distancing between groups of up to 5
Above 300	<ul style="list-style-type: none"> Up to 3 zones of 50 patrons, with 3 metres safe distancing between zones. Within each zone, 1 metre safe distancing between groups of up to 5 still applies (refer to Annex A for zoning requirements and best practices)

8. For other operational best practices, please refer to the [Best Practices for Cinema Operators](#) and [FAQs for Cinema Operators](#).
